Re: *Preserving the Open Internet, GN Docket No. 09-191; Broadband Industry Practices, WC Docket No. 07-52; A National Broadband Plan for Our Future, GN Docket No. 09-51*

Dear Ms. Dortch:

On June 8, 2010, Terri Natoli of Time Warner Cable (TWC) met with Christine Kurth, legal advisor to Commissioner Robert McDowell.

During this meeting we discussed the proposal to classify broadband Internet access services, including cable modem services, as telecommunications services under Title II of the Act. TWC reiterated many of the points expressed in the letter addressing Title II reclassification dated April 29, 2010 in the above referenced proceedings to which TWC was a signatory.

TWC also explained that reclassification is unnecessary to implement the broadband-related universal service recommendations of the National Broadband Plan as described in NCTA's March 1, 2010 letter to the Commission also in the above referenced proceedings.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, an electronic copy of this letter is being filed for inclusion in the above-referenced docket.

Sincerely,

A handwritten signature in cursive script that reads 'Terri B. Natoli'.

Terri B. Natoli
